***HRO Today* Names Bartech/Guidant Group Among the Top Managed Service Providers in the Annual Baker's Dozen List**

**SOUTHFIELD, Mich.— May 4, 2017**—The Bartech Group/Guidant Group, leaders in global workforce management and staffing solutions, today announced that they have once again ranked among the top organizations for the annual *HRO Today's* Baker's Dozen Managed Service Providers (MSP). As a result of outstanding customer feedback, Bartech/Guidant Group have earned the number three spot overall on the list this year.

The annual Baker's Dozen list is published by *HRO Today* magazine and has become the leading authority for recognizing the top MSPs worldwide. Results of the Baker's Dozen were based on a client satisfaction survey completed by organizations that utilize MSP services to rank their experiences and services with their current vendor.

Bartech/Guidant Group, part of the Impellam family of brands, were once again rated high on the list for overall breadth of service, size of deals the organization manages and quality of services provided to customers and buyers. This is the sixth consecutive year Bartech/Guidant Group have been recognized to *HRO Today's* Baker's Dozen list, including the number one ranking for MSP providers in 2014.

"*HRO Today's* Bakers Dozen is the largest customer satisfaction survey in the industry and represents the pinnacle of customer service excellence," said Impellam North America CEO David W. Barfield. "With another year of continued growth and success, this recognition is a testament to our team's continuous expertise, dedication and unwavering commitment to providing value and quality of our MSP programs to our clients. We are once again honored to be recognized among the top organizations in the world."

"The largest global MSP brands compete for a top ranking on *HRO Today's* Baker's Dozen list each year, and Bartech/Guidant Group have consistently ranked amongst the highest," said Elliot Clark, CEO and Chairman of SharedXpertise. "This year is no different at the #3 spot for overall for MSP providers. They continue to demonstrate their ability to provide innovative products, tailored and sophisticated solutions, and superior service to their customers."
